- I Got Certified For Attending **"WORKSHOP OF IOT APPLICATION DEVELOPMENT"** In Adhiyamaan College Of Engineering,Hosur.

- I Got Certified For Attending **"WORKSHOP OF MOBILE APPLICATION DEVELOPMENT USING REACT JS"** In Adhiyamaan College Of Engineering,Hosur.

PROJECT EXPERIENCES

- **Employee Reward System Admin Portal**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Developed a role-based admin dashboard for managing employee rewards and recognition.

  → Integrated secure login, rewards approval workflows, and employee performance metrics.

- **Employee Reward System Employee Portal**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Created a responsive employee-facing portal to view rewards, nominate peers, and track achievements.

- **Survey SuperAdmin V2 / Survey V3 /Survey EmployeePortalReact**

  Tech Stack: React JS, Mantine UI, Tailwind CSS, Spring Boot

  → Built dynamic interfaces for Super Admin, Employee, and Survey portals used in internal management systems.

  → Implemented authentication, data visualization, and user management modules.

- **Patient WebApp**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

  → Designed a patient record management system including appointment booking, prescriptions, and secure data access.

- **Health Care Admin Portal**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

  → Developed an admin portal for managing healthcare staff, appointments, and patient records efficiently.

- **Custom Survey Portal Project**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Created a dynamic survey portal where admins can design surveys and employees can respond securely with real-time results visualization.

- **Tharwah Website**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Developed the company website with responsive UI and integrated project highlights, client showcase, and contact forms.

- **E-Card Web Application**

    Tech Stack: React JS, Mantine UI, Spring Boot

    → Created an interactive web application for sending digital greeting cards. Implemented image upload, custom messages, and a success popup feature.

- **Project Management System**

    Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

    → Developed project tracking dashboards, team collaboration modules, and task scheduling features.

- **Lawyer Admin & Lawyer Web Portals**

    Tech Stack: React JS, Mantine UI, Spring Boot

    → Built specialized dashboards for legal case tracking and admin-level configurations.

ACHIEVEMENTS

- Class Topper   MCA   **2022 - 2024**
- Student Couselling Member(SCM)   BCA   **2019 – 2022**

LANGUAGES

- English | Tamil
