PRIYADARSHINI V

Software Engineer

priyashalini1225@gmail.com Priyadarshini + 91 6380228902 http://portfolio-eight-opal-47.vercel.app/

EDUCATION

- **Master of Computer Applications (9.6 / 10)** Adhiyamaan College Of Engineering **2022 - 2024**
- **Bachelor of Computer Applications (8.2 / 10)** Gonzaga College Of Arts & Science For Women **2019 - 2022**

TECHNICAL SKILLS

- React JS
- JavaScript.
- Android(Java/Flutter/React Native).
- Java.
- Data Structure And Algorithms.

WORK EXPERIENCES

- **Junior Software Developer** Annz Technology, Chennai **August 2024 – Present**

INTERNSHIP EXPERIENCES

- **Mobile Application Developer Intern** Primus Global Technologies,Bangalore **March 2024 – May 2024**
- **Software Trainee Intern** Vividobots Private Limited, Chennai **January 2024 - February 2024**

CERTIFICATIONS

- I Got Certified In **"NATIONAL LEVEL QUIZ COMPETITION"** Organized By Periyar University,Salem.
- I Got Certified In CSC For **"DIPLOMA IN COMPUTER APPLICATION (DSA)"** Course And I Got A Grade.
- I Got Certified For Attending **"WORKSHOP OF MICROSOFT"** In Gonzaga College Arts And Science For Women,Krishnagiri.
- I Got Certified In **"NATIONAL LEVEL IT SYMPOSIUM"** Organized By Sacred Heart College,Tirupattur And I Got 3rd Price "Code Blaster".
- I Got Certified In **"NATIONAL LEVEL SYMPOSIUM AND EXPO 2022"** Organized By MGR College,Hosur.
- I Got Certified In **"NATIONAL CONFERENCE 2023"** Organized By Hindustan College Of Engineering And Technology,Coimbatore.
- I Got Certified For Attending **"WORKSHOP OF IOT APPLICATION DEVELOPMENT"** In Adhiyamaan College Of Engineering,Hosur.

- I Got Certified For Attending **"WORKSHOP OF MOBILE APPLICATION DEVELOPMENT USING REACT JS"** In Adhiyamaan College Of Engineering,Hosur.

PROJECT EXPERIENCES

- **Employee Reward System Admin Portal**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Developed a role-based admin dashboard for managing employee rewards and recognition.

  → Integrated secure login, rewards approval workflows, and employee performance metrics.

- **Employee Reward System Employee Portal**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Created a responsive employee-facing portal to view rewards, nominate peers, and track achievements.

- **Survey SuperAdmin V2 / Survey V3 /Survey EmployeePortalReact**

  Tech Stack: React JS, Mantine UI, Tailwind CSS, Spring Boot

  → Built dynamic interfaces for Super Admin, Employee, and Survey portals used in internal management systems.

  → Implemented authentication, data visualization, and user management modules.

- **Patient WebApp**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

  → Designed a patient record management system including appointment booking, prescriptions, and secure data access.

- **Health Care Admin Portal**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

  → Developed an admin portal for managing healthcare staff, appointments, and patient records efficiently.

- **Custom Survey Portal Project**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Created a dynamic survey portal where admins can design surveys and employees can respond securely with real-time results visualization.

- **Tharwah Website**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Developed the company website with responsive UI and integrated project highlights, client showcase, and contact forms.

- **E-Card Web Application**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Created an interactive web application for sending digital greeting cards. Implemented image upload, custom messages, and a success popup feature.

- **Project Management System**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot

  → Developed project tracking dashboards, team collaboration modules, and task scheduling features.

- **Lawyer Admin & Lawyer Web Portals**

  Tech Stack: React JS, Mantine UI, Spring Boot

  → Built specialized dashboards for legal case tracking and admin-level configurations.

- **AI Security Application**

  Tech Stack: React JS, Mantine UI, Tailwind CSS,Spring Boot,Python

  → Developed an AI-powered security application for real-time threat detection and response.

- **AI Chatbot**

  Tech Stack: React JS, Mantine UI, Spring Boot,Python

  → Developed an AI-powered chatbot for customer support and engagement.

ACHIEVEMENTS

• Class Topper	MCA	**2022 - 2024**
• Student Couselling Member(SCM)	BCA	**2019 – 2022**

LANGUAGES

- English | Tamil
